Parish Nurse Program

The San Francisco Location is making a concerted effort to better support one of our signature projects, the Parish Nurse Program. Location members are asked to accompany our Parish Nurse, Carol Elliot, RN, in making home visits to elderly and shut-ins primarily in Holy Names Parish. We ask that you consider signing up to make visits on a day that works for you. Available dates for June and July are below:

Please contact Carol directly at 415.664.8590 to schedule a visit. This is not only a great service for the infirmed and elderly but it is a great opportunity for our personal sanctification.
